Brother Phelps

Yrs. of Feb. 8th was rec^d in due
time. I have heard ~~nothing~~^{since} from Dea. Palmer, nor Stephen
Brown. I have ~~not~~^{not} know what to think & care. I believe
none of + Shawmut stock has been sold since I sent +
money to + care of Dea. Palmer. & that it probably some
other had been purchased ere this. I wrote ^{at + time I sent + money} to Browne, + stock
broker, that if none of + Shawmut was offered soon, he might
buy one of + Merchants bank, or 2 of + Wes.ⁿ rail road. & see
+ latter has fallen, & + former risen. If he has not bot. of +
W. R. road for me, I hope he will not; for it is rather risky.
I think I wd rather ~~rather~~ have it in + W. R. road, or in +
Merchants or some other good bank. I wish you to call
at y^r earliest convenience & see if + money is with Mr
Palmer. I rec^d a receipt by + bearer of + 80 dolls; it might
have been from one of clerks in + store, or by Mr Davis.
I wish you would at + same time call & see Mr Brown,
& tell him, if he can not get a share of + Shawmut
soon, he may take one of + Merchants or some other
good bank. I wish you would pay + balance which
may be necessary on + share bot, & send me, + overplus
of dividend, & interest on your note, as early in Apr.
as you can conveniently. Perhaps you can deposit
+ money in Bank & send a certificate, as a part of
a letter.

I understand there is a glorious revival in
Farmington. The particulars I have not learned.
Some towns in this Co. & most in N. London Co.
have been much blessed within a few months.
I have by solicitation, spent ~~several~~ consider-
able of my time of late, or within 4 weeks, as-
~~sisting~~ ^{sisting} in revivals in Wind- & N. L. Co.-
I leave this P.M. to spend 4 or 5 days in Hampton.
In haste yrs. paternally
G. J. Tillotson.

P.S. Mar. 30th I did not forward this when written, as I designed
to do. I have that it possible, Brown had taken some stock
for me, & that certificates might be in the hands of Davis & Palmer
waiting my order. If so, I might have expected to hear from it.
If it be so, you will straighten our account & send on the balance,
as the bank dividend will be declared on Monday next.
If no stock is yet taken for me, let a share of merchants,
showing ^{Bank} a Warrant be taken in 10 or 14 days, & the balance
my due provided as early as may suit your convenience.
I wish I could return some equal acts of kindness to you.
In haste yrs. cordially. G. J. T.
